Grouping guidelines: SWS honors SC public school grouping guidelines. Children will be grouped corresponding to the age they are on September 1st, where they will remain for the 12-month programmatic year. Advancement occurs once per year at the beginning of each summer.

Each year-round (12 months from June to May) enrollee will receive two vacation weeks ("week" = M-F of the same week) yearly if a child is absent. Requests may be submitted via email or office form.

Thirty (30) days written notice will be given to attendees before any fee increases.

SWS has a 3-Week Withdrawal Policy. Please see your enrollment packet or Family Handbook for details.
No School-Age Summer Discovery Withdrawals accepted after April 1st.
